## 开篇导言

随着中国企业持续拓展全球业务，选择一个稳定、可信且国际认可的上市目的地变得日益重要。合适的上市平台将为您开启全球资本通道、提升国际品牌形象、赢得机构投资者信任、获得可持续的长期估值，并提供多市场扩展机遇。

对于希望建立全球布局的中国企业而言，新加坡已成为最具公信力与吸引力的资本市场之一。

iCapital 的使命是以信心、清晰的视野与世界级的执行力，协助中国企业把握这一机遇。我们正是连接您企业业务与新加坡一流资本市场的桥梁。

# 为何选择新加坡

## 通往全球市场的卓越门户

对于准备首次公开上市的成长型企业而言，市场的选择至关重要。

新加坡提供了一个可信赖、稳定且备受国际尊重的平台，能够在企业从私人经营转向全球认可的上市公司的关键转型阶段，提供坚实支持。

新加坡不止是金融中心，更在于提供支持产业扩张、先进工程与长期价值创造的生态系统。

因此，对于具备坚实工程基础、从事资本密集型运营，并致力于扩大产能、提升技术能力、拓展海外市场的制造商而言，新加坡是一个理想的枢纽。

# 新加坡的核心优势

## 这是一个认可工程与执行能力的市场

在支持具备工程深度和专业制造能力的公司方面拥有良好记录。

## 接入世界一流的先进制造与研发生态系统

作为公认的先进制与工业研发枢纽，企业在此可享专注于精密工程、先进材料、机器人技术、自动化以及工业4.0解决方案的研究设施。

## 为长期产业增长提供稳健平台

新加坡提供了一条清晰且可预测的上市路径，使首次发行企业能够安心上市，同时专注于公司运营。上市并非终点，新加坡交易所(SGX)还提供灵活的后续融资渠道，以支持企业的进一步扩张、技术投资及海外增长。

## 提升全球客户与项目合作伙伴的可信度

在新加坡上市，彰显出企业卓越的治理水平、严谨的财务纪律以及长期的可靠性。这有助于深化与跨国客户、合作伙伴及工程总承包(EPC)承包商的合作关系。

## 契合产业扩张的资本

这里拥有理解资本密集型增长策略的强大投资者基础，尤其适合那些投资新产线、先进机械和工厂扩建的制造企业。

从江河造船商到全球海事领袖

IPO 顾问服务 | 海事与造船

在公开上市之前，扬子江船业是一家处于成长期但受资本限制的内河船舶制造商。为扩大产能并进军更高价值的商用船舶领域，该集团需要寻求长期资本与国际投资者的支持。

2007年4月，我们主导了扬子江船业通过首次公开募股IPO在新加坡交易所的成功上市。此次发行定价为每股0.95新元，募集资金约10.9亿新元，成为当时新交所规模最大的IPO项目之一。

上市以来，扬子江船业已发展成为国内领先的造船企业之一。截至2026年1月，其股价已上涨至3.65新元，年营业额突破300亿新元，并已获得22艘船舶的建造订单，总价值约9.2亿美元。

## Opening Message

As Chinese companies continue to expand internationally, securing a stable, trusted, and globally recognised listing destination becomes increasingly important. The right listing venue opens doors to Global capital, International branding, Institutional investor trust, Sustainable long-term valuation, and Multi-market expansion opportunities.

Singapore has emerged as one of the most credible and attractive capital markets for Chinese companies looking to establish a global footprint.

iCapital's mission is to help Chinese companies navigate this opportunity with confidence, clarity, and world-class execution. We are the bridge connecting your business to Singapore's premier capital market.

# Why Singapore?

## A Premier Gateway to Global Markets

**For growth-driven enterprises** preparing for their first public listing, your choice of market matters.

---

**Singapore offers a credible, stable, and internationally respected platform** that supports companies at a critical stage of transformation, from privately run businesses to globally recognised listed companies.

---

**More than a financial centre,** Singapore offers an ecosystem that supports industrial expansion, advanced engineering, and long-term value creation.

---

**This makes Singapore an ideal hub** for manufacturers with strong engineering foundations and capital-intensive operations seeking to expand capacity, upgrade capabilities, and scale beyond their domestic market.

# Singapore's Core Strengths

## A Market That Recognises Engineering and Execution Strength

*A strong track record of supporting companies built on engineering depth and specialised manufacturing.*

## Access to a World-Class Advanced Manufacturing & R&D Ecosystem

*A recognised hub for advanced manufacturing and industrial R&D, where companies have access to research facilities focused on precision engineering, advanced materials, robotics, automation, and industry 4.0 solutions.*

## A Stable Platform for Long-Term Industrial Growth

*A clear and predictable pathway to public markets, enabling first-time issuers to list confidently while focusing on operations. Beyond the IPO, SGX provides flexible follow-on funding to support further expansion, technology investment, and overseas growth.*

## Enhanced Credibility with Global Customers and Project Partners

*A Singapore listing signals strong governance, financial discipline, and long-term reliability. This supports engagement with multinational customers, partners & EPC contractors,*

## Capital Aligned with Industrial Expansion and Modernisation

*A strong investor base that understand capital-intensive growth strategies, catering towards manufacturers investing in new production lines, advanced machinery, and plant expansions.*

## Why we have been the first choice for clients

### We Go Above and Beyond:

We don't just prepare you for listing. We design a strategy and roadmap that align with your industrial growth story and investor expectations. This means helping you define your:

**Market positioning:**  
showcasing your leadership, sustainability, and efficiency.

**Analyst and investor messaging:**  
communicating stability, and sustainable growth.

**Key value drivers:**  
asset utilisation, cost efficiency, and long-term contracts.

**Investment story:**  
that emphasizes production capabilities, supply chain resilience, and global competitiveness.

And because growth doesn't stop at listing, we extend support through M&A advisory and private capital raising—helping you secure strategic capital to scale, innovate, and expand pre- and post-IPO.

## IPO Advisory, Done Differently:

At I Capital, we provide comprehensive guidance through every stage of your listing—from early-stage evaluation to ringing the bell. Our IPO advisory is hands-on, strategic, designed to navigate market complexity, regulation, and growth. Here's how we support you:

- **IPO Readiness & SGX Compliance:** We help assess and prepare your governance, disclosures, and controls to meet SGX listing standards with confidence
- **Stakeholder Coordination:** We coordinate the full IPO ecosystem—working closely with auditors, legal advisors, sponsors, and underwriters to streamline IPO execution
- **Governance & Restructuring:** We guide your board composition, audit readiness, and corporate restructuring to shape a governance profile that inspires investor confidence
- **Equity Story & Market Positioning:** We shape your investor narrative to highlight your growth potential, address market concerns, and position your company for long-term success.

Now it's your turn.

### **Yangzijiang Shipbuilding Holdings (SGX: BS6)** **From River Shipbuilder to Global Maritime Leader** IPO Advisory | Maritime & Shipbuilding

Before its public listing, Yangzijiang Shipbuilding was a growing but capital-constrained river vessel builder. To scale its production capacity and expand into higher-value commercial vessels, The group sought access to long-term capital and international investors.

In April 2007, We led the successful SGX listing of Yangzijiang Shipbuilding through its initial public offering (IPO). The IPO was priced at S\$0.95 per share, raising approximately S\$1.09 billion, placing it among SGX's largest IPOs of the era.

Since its listing, Yangzijiang Shipbuilding has transformed into one of the leading shipbuilders in the PRC. As of January 2026, its share price had appreciated to S\$3.65, with annual turnover exceeding S\$30 billion and secured contracts for 22 vessels valued at approximately US\$920 million.
